A Desperate Outrage.

One of the most desperate and fiendish assaults which ever occurred in this city transpired on Tuesday night, the facts of which are as follows: A prostitute named Ida Price, at about 12:30 o'clock, he heard a low moaning in an alley between Quincy and Jackson streets. Proceeding in the direction of the sound, he discovered a prostitute named Ida Price lying totally naked in front of a barn which is in the rear of No. 178 Quincy street. Upon the arrival of a number of persons the woman was found terribly cut about the head and face, and her throat was cut from ear to ear, and the blood flowing from the wounds had saturated the ground to a considerable extent. She was conveyed to the County Hospital, where she now lies in a critical condition. She, on the 15th of December last, was married to Mr. Woodson, as a concubine, and has since lived with him as his wife. Mr. Woodson was last night arrested and locked up in the Central Station, charged with the crime. He denies all knowledge of the affair, and says that he left the woman at the house where they lived, and went to bed, and knew nothing of the affair until he was arrested. The police are working on the case, and will probably succeed in fastening the guilt upon the right party.

Sunday.

The much-talked-of cannot be avoided the match between Tom Foley, who is the right, and Jem Mace, the champion of England, will be decided on Sunday next, under the control of Sunny Superintendent Conover, at the Lake View Course. The match will be for $1,000 a side, and the stakes are now deposited with the stakeholder. No doubt, in a short time, the ring will be formed, and the fight for the championship will commence. The Lake View Course is admirably adapted for such contests, and the police will be on hand to see that no interference takes place. Mace will arrive in this city on Saturday next, and will be matched to fight Sunday.

The Prince Court.

The thirteen inmates of the house of Frederick Kinsy who were arrested Tuesday night were examined yesterday morning in court, and eight of them fined $10 each; the rest were discharged.

Thomas Mosher, a resident of Lemont, struck Mr. Wallace with a hammer at the Rock Island Depot, Tuesday evening, was brought up yesterday morning, and fined $100 and costs. Mr. Hill, Mr. Vicker being unable to appear on account of his wife's illness, was bound over in the sum of $1,000 to appear at the next term of court.

Carl Shortheimer and Joseph Benedict were before the court on the charge of stealing a watch from Pastorky Carl (except he would leave his friend, Joseph Benedict, to answer to the charge). In the presence of
